Dear Derrick,

On behalf of the Board of the Lenawee County Education Foundation (LCEF), I would like to express our heartfelt thanks to you for your contribution to the Kelly Carter & Thomas Leffler Memorial Scholarship.

Not only are you investing in students' education today, but you are expanding their options for success tomorrow. Your commitment to improving educational opportunities for people in Lenawee County helps build a stronger community. The work of the LCEF would not be possible without the generous support of people like you.

Again, thank you for your support to the Kelly Carter & Thomas Leffler Memorial Scholarship and what education is all about in Lenawee County.

Sincerely,

Kristy Suiter

Assistant to the Executive Director
